

# WE NEED YOUR LOVE BECAUSE TOGETHER WE CAN MAKE IT!

The 15th of February International Childhood Cancer Day

On the occasion of International Childhood Cancer day we would like to thank to all donors and volunteers who helped NURDOR make significant steps in improving the quality of life of the children diagnosed with cancer and their families, enhancing the quality of treatment, equipping the ward, raising public awareness and legal regulation in the previous year.

Owing to your love and generous help we succeeded in raising **238.000** euros in money and **150.000** materialistic donations. By these donations we provided a huge number of necessary things that help our dear children and their families to easier overcome the difficult period of treatment.

In the category of improving life of the children diagnosed with cancer and their families we would like to point out that we get and equipped **two** parental houses (Belgrade and Novi Sad) of what we are very proud.

In addition to that **two** subsidiaries are opened (Nis and Novi Sad) **two** playrooms (Nis and Belgrade) **two** automobiles provided for the transport of children, **84** workshops were held on the psychosocial support on four wards - Belgrade, Nis, Novi Sad. Which is more **115** children and parents stayed at the rehabilitation center, **4** publication for the children and parents have been published, **500** families are involved in the activities of the organization. We donated **800** books, **500** packages and **500** toys.

Concerning the improvement of the quality of treatment and equipment of the ward the following has been done:

- **one** doctor went to Bologna to do his specialization
- **two** young patients were sent to treatment in Bologna
- **two** bathrooms are renovated
- **5** infusion pumps are bought
- **2** central connections to oxygen
- **2** scales
- **3** pulse oximetres
- **132** uniforms for the medical staff
- **6** computers
- **4** washer dryers
- **one** refrigerator with freezer

In order to inform the public with our organization and the problems in the treatment **26** activities have been done and **145** volunteers have been educated. We have more than **3.000** donated hours, **120** donors in goods and money among legal persons and **750** donors in goods and money among individuals, **4.286** SMS donors, **2.500** new friends on Facebook and **10.000** licider hearts given.

In the field of legal regulation with our help and commitment The act of rehabilitation of the treated children is brought and the cooperation with The Ministry of Education is accomplished.

Without your help and support all this wouldn't be possible and because of that we invite you to stay with our dear children for only with you we are stronger in the fight against the severest illnesses.

**Thank you for your attention, help and love. And don't forget - your love means so much to us because together we can make it.**
